Mr Ulf Bingsgård
Mayor of the City of Trelleborg

Dear Mr Bingsgård,

I am pleased to inform you that the UBC Executive Board, during its 50th Meeting held on 26 September 2007 on the eve of IX UBC General Conference, accepted the application of the city of Trelleborg for membership in the Union of the Baltic Cities.

The UBC is the forum which enables cities to meet, discuss, to exchange ideas and views, to execute common projects and defend joint interests. I believe the city of Trelleborg will benefit from this cooperation and also actively contribute to the UBC work.

I would like to wish you a successful and fruitful cooperation with other over 100 UBC members. Attached please find a questionnaire regarding contact information and participation in the work of the commissions.

With kind regards,

Paweł Żaboklicki
Secretary General
