Letter of support to the proposed investment concept

Trelleborg implements net-zero

Trelleborg Municipality

06SE001266R

To whom it may concern,

I, the undersigned, Ann Kajson, on behalf of Trelleborg, would like to state our strong support and interest to the development of the investment concept Trelleborg implements net-zero, within the scope of the European City Facility (EUCF). According to our knowledge, the EUCF aims to build a substantial pipeline of sustainable energy investment projects across European cities by providing targeted financial and capacity building support to develop sound investment concepts and mobilise finance.

I hereby confirm our support to develop the proposed investment concept, submitted under the EUCF call for applications.

Yours sincerely,
